- 1 x CWT fast charger
- 1 x Allen key
- 1 x cleaning brush
- 1 x carrying case
- Manual

The CWT Cordless Heat Cutter is a professional cordless heat cutter that is powered by a rechargeable battery. With this portable cutter, you no longer need a supply cord to provide this tool with power. So i.a. very useful on large ships, places where electricity is not always available or at times during cutting when the cord is in the way.

This multi-purpose Cordless Heat Cutter is specially designed to cut & seal synthetic material such as rope, cable, Dyneema, sail, nets, cords, belts, but also synthetic fabric such as textile cloth, Nylon, Felt, Filter fabric, Marquis cloth, Curtain, Net curtains and all kinds of other synthetic fabrics.

A special feature of this tool is that this cutter is equipped with a "patented active air-cooling system", which ensures that the blade doesn't get overheated so that you can use this tool continuously.
